## FUND SUITABILITY

---

- Sundaram Emerging Small Cap Fund is suitable for high risk profile investors who are seeking the opportunity to benefit from the growth potential of small cap stocks
- Given the close-ended structure, the fund is better placed to pick stocks with a long term outlook
- The fund will be managed by a proven fund manager proven fund manager with a long and successful track record
- New companies and new sectors most likely will start their life-cycle as small caps. An early investment in them offers the opportunity for long-term wealth creation as they transition from small to mid and eventually to large cap companies
- The small cap space is an underinvested and underresearched segment offering potential for significant returns. The recent price correction has made valuations more reasonable and offers an opportune entry point. The Buy-and-Hold approach to enable alpha generation during periods of strong economic expansion.
