Nifty takes a breather; ends near 24250 zone

Nifty after a strong move in the last 2 weeks took a breather to halt the winning streak to end the session near 24250 zone. BankNifty witnessed some profit booking to close near the 55200 level with bias and sentiment still maintained positive. The market breadth was overall flat with the advance decline indicating a neutral ratio at close.

Market Forecast

Nifty daily range 24100-24400

Nifty, after a long streak of 7 winning sessions finally took a breather and closed in the red near 24250 zone with bias and sentiment still maintained positive expecting for further continuation of the upward move after a short period of consolidation or perhaps, some correction anticipated. As mentioned earlier, the index would have the near-term significant support positioned near the 23800 zone which once sustained, can regain strength and with the overall trend maintained strong, can carry on with the positive move further ahead.

BankNifty, after the strong run up witnessed in the last 2 weeks witnessed some profit booking wiping off some gains to end near 55200 zone and has got the important support zone near 54500 level of the previous major peak zone which needs to be sustained in the coming sessions. Once a revival is established once again, the index can anticipate for further upside targets of 56200 and 57500 levels in the coming days. The support for the day is seen at 24100 levels while the resistance is seen at 24400 levels. BankNifty would have the daily range of 54800-55800 levels.
