## Market Preview

### Nifty holding 24800 zone amid geo-political tensions

Nifty has been sustaining the 24800 zone amidst the geo-political tensions and is precariously placed with major support positioned near the 24500 level. BankNifty has been finding resistance near the 56000 zone and witnessed some profit booking to end near the 55600 level with bias maintained with a cautious approach. The market breadth was weak with the advance decline indicating a ratio of 1:3 at close.

## Market Forecast

### Nifty daily range 24600-25000

Nifty, amid the geo-political tensions has managed to show resilience sustaining near the 24800 zone for quite some time with very narrow movement witnessed as of now and currently is precariously placed having the crucial and important support zone positioned at 24500 level and at the same time, would need a decisive move above the 25200 level to anticipate for further fresh upward move.

BankNifty, witnessed some profit booking from near the 56000 zone and closed near the 55600 level with overall bias maintained with a cautious approach and anticipating for fresh developments in the coming sessions which shall decide the further directional move of the index. The index has been precariously placed and would need a decisive move above the 56000 zone, as mentioned earlier, to turn the bias positive and at the same time would need to sustain the near-term support positioned near the 55000 level to maintain the overall trend intact.

The support for the day is seen at 24600 levels while the resistance is seen at 25000 levels. BankNifty would have the daily range of 55200-56000 levels.
