Market Preview

Nifty ends above 24700 zone; bias optimistic

Nifty witnessed a significant pullback after the morning session to gain momentum as the day progressed to end just above the 24700 level. BankNifty well supported the Nifty index post the lunch session to gain momentum and raced to close above the 54000 level with bias maintained with an optimistic approach expecting for further gains. The market breadth was positive with the advance decline indicating a raito of 5:2 at close.

Market Forecast

Nifty daily range 24600 - 24900

Nifty, indicated an optimistic positive move after the flat opening session to end above the 24700 zone with anticipation of positive cues from the GST rate outcome which would decide the further course of the market in the coming days. The index would need a decisive move past the important 50EMA level at 24800 zone which can trigger for fresh further upward move along with the broader markets beginning to participate to support the benchmark indices. The 24500 zone shall continue to remain as the important support zone for the index.

BankNifty maintaining the important support zone near 53500 zone has indicated a significant pullback to end above the 54000 zone with the banking giant HDFC Bank indicating prominent positive cues signalling a buy from the oversold zone after a long wait to boost the index anticipating for further gains in the coming sessions. The index would need a decisive move past the 55000 zone to overall improve the bias and thereafter, anticipate for fresh upward move in the coming days.

The support for the day is seen at 24600 levels, while the resistance is seen at 24900 levels. BankNifty would have the daily range of 53600-54800 levels.
