## Nifty takes a breather at 26000 zone

Nifty witnessed profit booking amid a volatile session to end near the 25900 zone with bias overall maintained positive and can expect another fresh round of upward move after a short period of cooling off from the peak zone. BankNifty resisted near the 59100 level and taken a halt to the ongoing upward movement with bias and sentiment maintained with an optimistic approach for the coming days. The market breadth was negative with the advance decline indicating a ratio of 1:2 at close.

# **Market Forecast**

# Nifty daily range 25750 - 26100

Nifty witnessed a breather near the psychological level of 26000 zone and amid some volatility witnessed some profit booking to close near the 25900 level with bias maintained positive and with the undertone overall maintained strong can anticipate for a turnaround after a short consolidation or dip in the coming sessions. The index would have the important near-term support at 25700 level, as we have been mentioning earlier, needs to be sustained to maintain the overall trend intact and on the upside can expect for next targets of 26300 and 26700 levels anticipated.

BankNifty halted near the 59100 zone after the strong breakout witnessed in the previous session and with bias maintained positive has further scope for upward move in the coming sessions with near-term support positioned near the 58500 level which needs to be sustained. The index would have the important and major support positioned near the 50EMA at 57000 level, as mentioned earlier, and on the upside once a stability is confirmed, one can expect for higher targets of 60500 and 63000 levels in the coming days.

The support for the day is seen at 25750 levels, while the resistance is seen at 26100 levels. BankNifty would have the daily range of 58500-59500 levels.
