Market Preview

Nifty indicates a strong recovery from 25700 zone

Nifty amid initial volatility witnessed a strong recovery from the important 25700 zone to close near the 25900 level with active participation visible from among the midcap and smallcap counter to improve the sentiment. BankNifty sustaining the 58800 zone, once again recovered to end near the 59200 level with bias maintained positive and can expect for further gains. The market breadth was positive with the advance decline indicating a ratio of 2:1 at close.

Market Forecast

Nifty daily range 25750 - 26200

Nifty after the initial fluctuations witnessed in the morning session making a low near the 25700 zone, it has indicated a significant recovery from the important 50EMA support zone of 25730 level, to gain strength and improve the sentiment to close near the 25900 level with active participation witnessed from the broader markets as well to anticipate for further follow through of the positive move in the coming sessions. The index would need a decisive breach above the 26000 zone to establish conviction, as said earlier, and thereafter, can expect for further gains in the coming days with 26300 level acting as the near-term resistance. BankNifty once again maintaining the strong support zone near the 58800 level, witnessed a decent pullback to arrive near the resistance level at 59400 zone and ended the session near the 59200-level continuing with the overall consolidation. As mentioned earlier, the index would need a decisive move past the 60000 zone to establish conviction and thereafter, expect for further upward move for targets of 61300 and 63000 levels in the coming days.

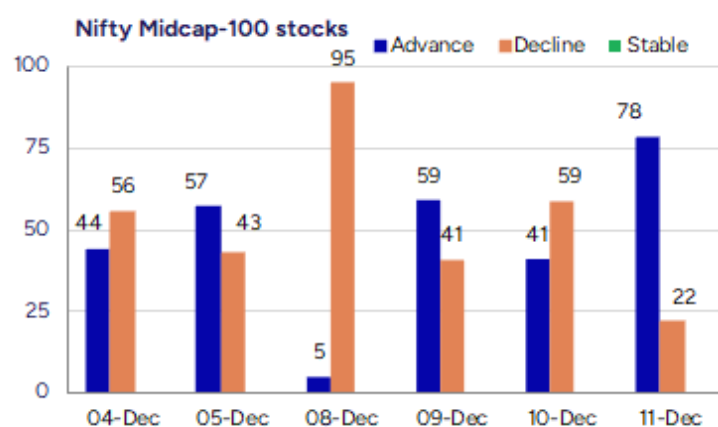

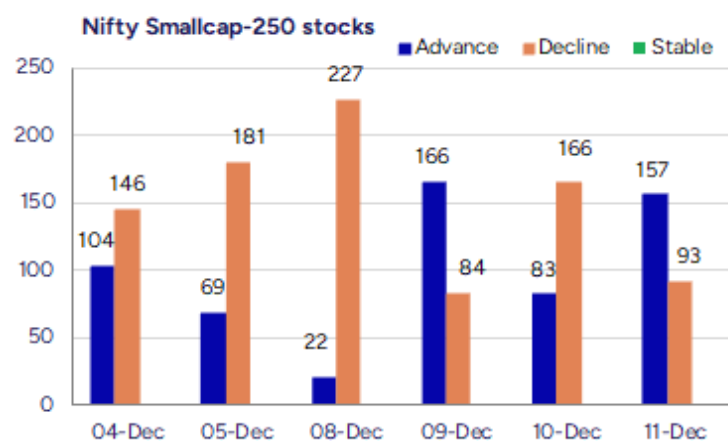

The support for the day is seen at 25750 levels, while the resistance is seen at 26200 levels. BankNifty would have the daily range of 58800-60000 levels.
