## Market Preview

### Nifty resists near 26350 zone; bias remains optimistic

Nifty after the previous strong session witnessed some resistance near the 26350 zone and with some profit booking seen ended the session near 26250 level with overall bias maintained intact. BankNifty erased the gains witnessed in the morning session and closed near the 60000 level with the optimistic approach still sustained. The market breadth was weak with the advance decline indicating a ratio of 3:5 at close.

## Market Forecast

### Nifty daily range 26150-26400

Nifty, once again witnessed resistance near the 26350 zone and amid some volatility slipped down to end near the 26250 level with bias maintained intact and overall, the optimistic approach is sustained with near term target of 26500 level expected in the coming sessions. As mentioned earlier, the index would have the important support positioned near the 50EMA level of 25900 zone with the near-term support positioned near the 26150 zone which needs to be sustained to maintain the overall bias intact. BankNifty after opening on a positive note witnessed resistance near the 60400 level and with some profit booking visible slipped down to end the session near 60000 zone with bias and sentiment maintained positive. As mentioned earlier, the index shall have the important support positioned near the 50EMA level at 58700 zone which needs to be sustained and as of now, once the near-term support at around 59500 level is sustained, we can expect for further continuation of the upward move.

The support for the day is seen at 26150 levels, while the resistance is seen at 26400 levels. BankNifty would have the daily range of 59700-60500 levels.
