Market Preview

Nifty sustains the 23400 zone

Nifty for once halted the slide and showed some resilience near the 23400 zone closing in the green just above the 23450 level. BankNifty witnessed a rangebound session with narrow movement near the 56300 zone and sustained the support near 56200 level as of now. The market breadth was weak with the advance decline indicating a ratio of 2:3 at close.

Market Forecast

Nifty daily range 23300 - 23600

Nifty witnessed good support near the 23400 zone during the intraday session hovering around for almost the entire day and closing just above the 23450 level indicated some ray of hope for a revival in the coming sessions. With the bias maintained with a cautious approach as of now, the index would have the important support positioned near the 23000 zone whereas the 23800 level shall be the crucial hurdle which needs to be breached decisively to establish conviction for further upward move in the coming days. BankNifty indicated a rangebound movement during the intraday session near the 56300 zone and closed in the green near the 56500 zone to anticipate for some revival in the coming sessions. As mentioned earlier, the index would have the important support near the 54500 level while the crucial and major support is positioned near the 53000 zone of the previous low made, below which the overall trend would turn bearish.

The support for the day is seen at 23300 levels, while the resistance is seen at 23600 levels. BankNifty would have the daily range of 55800-57000 levels.
