Market Preview

Nifty recovers to end near 23400 zone

Nifty witnessed a significant pullback to end near the 23400 level and with optimistic view maintained anticipating for further upward move in the coming sessions. BankNifty staged a significant recovery on the back of HDFC Bank picking up well from the oversold zone and helped to end above the 56600 level. The market breadth was slightly weak with the advance decline indicating a ratio of 2:3 at close.

Market Forecast

Nifty daily range 23200 - 23600

Nifty after witnessing a weak start with a gap down near the 23250 zone, recovered steadily as the day progressed ahead and closed near the 23400 zone with bias still maintained with a cautious approach would need to sustain the 23200 level in the coming sessions. As mentioned earlier, the index would need a decisive move above the 23800 zone to establish conviction and thereafter, can expect for further follow through of the positive move whereas, on the downside, the 23000 zone would be the important near-term support.

BankNifty opened with a gap down opening near the 55700 zone but indicated a decent recovery to end the session in the green above the 56600 zone to show a big positive candle on the daily chart with the bias slightly turning optimistic and can anticipate for further rise in the coming days. As mentioned earlier, the index would have the important support near the 54500 level while on the upside the 50EMA at 57200 level shall be the important hurdle which needs to be breached decisively to establish conviction.

The support for the day is seen at 23200 levels, while the resistance is seen at 23600 levels. BankNifty would have the daily range of 56000-57300 levels.
