13. RECORD DATE, OFFER PERIOD AND SHAREHOLDER'S ENTITLEMENT

13.1. As required under the SEBI Buyback Regulations, the Company has fixed Wednesday, October 28, 2026, as the Record Date for the purpose of determining the entitlement and names of the Shareholders, who will be eligible to participate in the Buyback (the **"Eligible Shareholders"**). The tender period for the Buyback will commence from Tuesday, November 3, 2026, i.e., not later than 4 (four) working days from the Record Date, and shall remain open for a period of 5 (five) working days, i.e., until Monday, November 9, 2026 (**"Tendering Period"**).

13.2. In due course, the Eligible Shareholders will receive the Letter of Offer in relation to the Buyback along with a tender form indicating the entitlement of the Eligible Shareholder for participating in the Buyback. Even if the Eligible Shareholder does not receive the Letter of Offer along with a tender form, the Eligible Shareholder may participate and tender shares in the Buyback.

As required under the SEBI Buyback Regulations, the Letter of Offer shall be dispatched through electronic mode only, within 2 (two) working days from the Record Date and that if any Eligible Shareholder requires a physical copy of the Letter of Offer, a request has to be sent to the Company or Registrar to the Buyback i.e., MUFG Intime India Private Limited "Registrar"/ "Registrar to the Buyback", and a physical copy of the Letter of Offer shall be provided.

13.3. The Equity Shares proposed to be bought back by the Company as part of the Buyback shall be divided into 2 (two) categories: (a) reserved category for the Small Shareholders; and (b) the general category for all other Eligible Shareholders; and the entitlement of a shareholder in each category will be calculated accordingly.

13.4. As defined in Regulation 2(i)(n) of the SEBI Buyback Regulations, a "Small Shareholder" is a shareholder of the Company who holds Equity Shares whose market value, on the basis of closing price of the Equity Shares on the BSE is not more than INR 2,00,000/- (Indian Rupees Two Lakh only). In accordance with Regulation 6 of the SEBI Buyback Regulations, 15% (fifteen percent) of the number of Equity Shares which the Company proposes to buyback or the number of Equity Shares entitled as per the shareholding of Small Shareholders as on the Record Date, whichever is higher, shall be reserved for the Small Shareholders as part of this Buyback.

13.5. Based on the shareholding as on the Record Date, the Company will determine the entitlement of each Eligible Shareholder, including Small Shareholders, to tender their Equity Shares in the Buyback. This entitlement for each Eligible Shareholder will be calculated based on the number of Equity Shares held by the respective Eligible Shareholder as on the Record Date and the ratio of Buyback applicable in the category to which such Eligible Shareholder belongs. The final number of Equity Shares which the Company will purchase from each Eligible Shareholder will be based on the total number of Equity Shares tendered. Accordingly, in the event of the overall response to the Tender Offer being in excess of the Buyback Size, the Company may not purchase all of the Equity Shares tendered by the Eligible Shareholders, over and above their entitlement, in the Buyback. Since the Promoters and Promoter Group and persons in control of the Company have declared their intention to not participate in the Buyback, the Equity Shares held by them shall not be considered for the purposes of computing the entitlement ratio, in accordance with the proviso to Regulation 4(iv)(a) of the SEBI Buyback Regulations.

13.6. In accordance with Regulation 9(ix) of the SEBI Buyback Regulations, in order to ensure that the same Eligible Shareholder with multiple demat accounts/ folios do not receive a higher entitlement under the category of Small Shareholders, the Company will club together the Equity Shares held by such Eligible Shareholder with the common permanent account number (**"PAN"**) for determining the category (Small Shareholder or general) and entitlement under the Buyback. In case of joint shareholding, the Company will club together the Equity Shares held in cases where the sequence of the PANs of the joint shareholders is identical. In case of Eligible Shareholders holding Equity Shares in physical form, where the sequence of PANs is identical, the Company will club together the Equity Shares held in such cases. Similarly, in case of Eligible Shareholders holding Equity Shares in physical form where PANs of all joint shareholders are not available, the Company/ the Registrar will check the sequence of names of the joint holders and club together the Equity Shares held in such cases where the sequence of name of joint shareholders is identical. The shareholding of institutional investors like mutual funds, pension funds, trusts, insurance companies etc., with common PAN will not be clubbed together for determining the category and will be considered separately, where these Equity Shares are held for different schemes and have a different demat account nomenclature based on information prepared by the Registrar as per the shareholder records received from the depositories. Further, the Equity Shares held under the category of "clearing members" or "corporate body margin account" or "corporate body - broker" as per the beneficial position data as on Record Date with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are assumed to be held on behalf of clients.

13.7. After accepting the Equity Shares tendered on the basis of entitlement, the Equity Shares left to be bought back, if any, in one category shall first be accepted, in proportion to the Equity Shares tendered over and above their entitlement in the offer by Eligible Shareholders in that category and thereafter from Eligible Shareholders who have tendered over and above their entitlement in other category.

13.8. The participation of the Eligible Shareholders in the Buyback is voluntary. Eligible Shareholders may opt to participate, in part or in full, and receive cash in lieu of the Equity Shares accepted under the Buyback, or they may opt not to participate and enjoy a resultant increase in their percentage shareholding, after the completion of the Buyback, without any additional investment. Eligible Shareholders also have the option of tendering additional shares (over and above their entitlement) and participate in the shortfall created due to non-participation of some other Eligible Shareholders, if any.

13.9. The maximum number of Equity Shares that can be tendered under the Buyback by any Eligible Shareholder cannot exceed the number of Equity Shares held by the Eligible Shareholder as on the Record Date. In case the Eligible Shareholder holds Equity Shares through multiple demat accounts, the tender through a demat account cannot exceed the number of Equity Shares held in that demat account as on the Record Date.

13.10. In the event that the Buyback Offer Size is not fully subscribed, the unsubscribed portion in the Small Shareholder reservation category and the general category, as the case may be, shall be available for subscription in the other category.

13.11. The acceptance of any Equity Shares tendered in excess of the Buyback Entitlement by the Eligible Shareholder shall be in terms of procedure outlined herein. In case any Eligible Shareholder or any person claiming to be an Eligible Shareholder cannot participate in the Buyback Offer for any reason, the Company, the Manager and Registrar to the Buyback and their officers shall not be liable in any manner for such non-participation.

13.12. If the Buyback entitlement for any shareholder is not a round number (i.e., not a multiple of one Equity Share), then the fractional entitlement shall be ignored for computation of Buyback entitlement to tender Equity Shares in the Buyback. On account of ignoring the fractional entitlement, those Small Shareholders whose entitlement would be zero Equity Shares as on Record Date, will be dispatched a tender form with zero entitlement. Such Small Shareholders are entitled to tender additional Equity Shares as part of the Buyback and will be given preference in the acceptance of one Equity Share, if such Small Shareholders have tendered for additional Equity Shares.

13.13. The Equity Shares tendered as per the entitlement by Eligible Shareholders as well as additional Equity Shares tendered, if any, will be accepted as per the procedure laid down in SEBI Buyback Regulations. If the Buyback entitlement for any Eligible Shareholder is not a round number, then the fractional entitlement shall be ignored for computation of Buyback entitlement to tender Equity Shares in the Buyback. The settlement of the tenders under the Buyback will be done using the "Mechanism for acquisition of shares through Stock Exchange pursuant to Tender-Offers under Takeovers, Buy Back and Delisting" notified pursuant to SEBI Circulars.

13.14. Detailed instructions for participation in the Buyback (tender of Equity Shares in the Buyback) as well as the relevant timetable will be included in the Letter of Offer which will be sent in due course to the Eligible Shareholders as on the Record Date who have their email IDs registered with the Company/ Registrar and transfer agent/ depository. However, on receipt of a request by Registrar to the Buyback or Company to receive a copy of Letter of Offer in physical format from such Eligible Shareholder (to whom Letter of Offer and tender form were emailed), the same shall be sent physically.

13.15. Participation in the Buyback by Eligible Shareholders will give rise to tax on the gains arising from the Buyback in their hands. Pursuant to the amendments made by the Finance Act, 2026 to the ITA, applicable to buybacks undertaken on or after April 1, 2026, the consideration received by a shareholder (whether resident or non-resident) on buyback of shares shall be treated as the full value of consideration under section 69 of the ITA. The cost of acquisition of the shares bought back shall be deductible, and the resulting gain shall be chargeable to tax as short-term or long-term capital gains, depending on the period of holding. In due course, the Eligible Shareholders will receive the Letter of Offer, which will contain a more detailed note on taxation. However, in view of the particularized nature of tax consequences, the Eligible Shareholders are advised to consult their own legal, financial and tax advisors for the applicable tax implications prior to participating in the Buyback.

14. PROCESS AND METHODOLOGY TO BE ADOPTED FOR THE BUYBACK PROCESS:

14.1. The Buyback is open to all Eligible Shareholders, either holding the Equity Shares either in physical form (**"Physical Shares"**) or the beneficial owners who were holding Equity Shares in the dematerialized form (**"Demat Shares"**), as on the Record Date.
