Market Preview

Nifty ends near 22600 zone

Nifty witnessed fluctuations during the session finding resistance near the 22700 zone and ended in the red near 22600 with sentiment still precariously placed. BankNifty amid high volatility failed to move above the 55350 level and closed the session near 55000 zone with clarity yet to be established as of now. The market breadth was negative with the advance decline indicating a ratio of 2:3 at close.

Market Forecast

Nifty daily range 22400 - 22800

Nifty amid volatility slipped in the final hours to end in the red near the 22600 zone with bias still maintained with a cautious approach with clarity yet to be established and need to be wait for further developments in the coming sessions to confirm further movement on the index. The index would have the crucial support near the 22200 zone on the downside and on the upside, as mentioned earlier, a decisive breach above the 23000 level is necessary to establish conviction and clarity for further upward move.

BankNifty witnessed wild fluctuations during the session post the RBI policy outcome and managed to close just above the 55000 zone on a flat note with bias and sentiment still maintained with a cautious approach and would need clarity in the coming sessions for further movement. As mentioned earlier, the index would have the crucial and major support positioned near the 53000 zone which needs to be sustained and, on the upside, a decisive move above the confluence of 50EMA and 100 period MA at 56500 zone is necessary to establish conviction and thereafter, expect for further upward movement in the coming days.

The support for the day is seen at 22400 level, while the resistance is seen at 22800 levels. BankNifty would have the daily range of 54400-55800 levels.
