Market Preview

Nifty triumphs - almost touches 24000 zone

Nifty continued with the upward march almost reaching the 24000 mark during the trading session with bias getting stronger anticipating for further rise in the coming sessions. BankNifty gaining momentum reached the 55900 level with bias and sentiment improving and awaiting the breakout above the 56000 zone in the coming sessions. The market breadth was strong with the advance decline indicating a ratio of 5:1 at close.

Market Forecast

Nifty daily range 23800 - 24300

Nifty extended the gains further with strong robust move witnessed once again and has almost reached the 200-period MA at 24000 zone with bias and sentiment turning out to be optimistic for the coming days. The index, as mentioned earlier, would have the important support positioned near the 50EMA at 23200 zone which needs to be sustained to maintain the bias intact whereas, on the upside, the 24400 zone shall be the next important target level which would decide the further directional move of the index.

BankNifty witnessed a strong move moving past the important 50EMA zone at 55630 zone with bias improving and has arrived near the crucial hurdle of 56000 level, which needs to be breached decisively for further conviction to be established and thereafter, to anticipate for further rise in the coming sessions. As mentioned earlier, the index would continue to have the important support zone at 53700 level with 55000 level as the near-term support which needs to be sustained to maintain the bias intact as of now.

The support for the day is seen at 23800 level, while the resistance is seen at 24300 levels. BankNifty would have the daily range of 55400-56700 levels.
