Market Preview

Nifty consolidates; sustains 25000 level

Nifty witnessed a rangebound session sustaining the 25000 zone and maintaining the optimistic sentiment intact with further rise anticipated, maybe after some cooling off in the coming sesssions. BankNifty surged ahead with strong bias maintained closing near the 59700 zone further strengthening the trend. The market breadth was however flat with the advance decline indicating a neutral ratio.

Market Forecast

Nifty daily range 24800 - 25200

Nifty took a pause to the spurt indicated during the last week near the 25000 zone and with consolidation happening witnessed a rangebound session to end near the 25050 zone with bias and sentiment maintained with a positive approach. After the overheated rally, the technical indicators are positioned near the highly overbought zone and as mentioned earlier, the chances of some cooling cannot be ruled out in the coming sessions. The index would have the near-term support at 24700 zone while the major support zone would be near the 24500 level which needs to be sustained to maintain the overall bias intact.

BankNifty carried on with the positive move further ahead extending the gains closing on a high note above the 59700 zone with the trend getting better and can anticipate for further rise in the coming sessions. The index would have the important near-term support positioned near the 58500 zone while the major support is positioned near the 200-period MA at 56600 level which needs to be sustained to maintain the overall bias intact. On the upside, the next near-term target would be 60500 level and in the coming days, with the overall trend and sentiment improving, one can expect for the index to retest the previous peak level of 61600 zone. The support for the day is seen at 24800 level, while the resistance is seen at 25200 levels. BankNifty would have the daily range of 58500-60500 levels.
