Market Forecast

Nifty daily range 25000 - 25500

Nifty witnessed some profit booking and cooled off to some extent resisting near the 25400 zone to close near the 25200 level which was much needed with the indicators hovering near the highly overbought zone and can anticipate for some more slide having the important support positioned near the 24800 level which needs to be sustained to maintain the overall bias intact.
